G.O. No. 125 W

DATED 27.1.25

[Despatch Abstract.]

Copy of letter No. [illegible], dated 11-1-25, from the Superintending Engineer, Ellore, Irrigation Circle, Bellary, to the Chief Engineer, Madras.

Sub: Bellary West Canal Project Investigation.

Ref: Your No. 2220-I, dated 20-12-1924.

The G.O. sanctioning the temporary establishment for the investigation of the Bellary West Canal Project Investigation makes no provision for a draftsman. G.O. No.586-I, dated 17th May 1924 is a sanction for the continuation of the establishment sanctioned for the Sangameswaram Project and it includes the appointment of a draftsman on Rs. 100.

I request you to take immediate steps to obtain the necessary sanction for a draftsman on Rs. 60 and a tracer on Rs.40 in lieu of one draftsman on Rs. 100.

Also permit me to appoint the draftsman and tracer in anticipation of sanction as I find immediate necessity for their services.

The adequacy of the already sanctioned grant to cover the expenditure has been dealt with separately in conjunction with the demand for additional grant for next year 1925-26 for the completion of the project. There is no necessity to modify the grant for this year 1924-25.

Special

Rates of pay higher than the minimum have been proposed for the draftsman & tracer asked. Information has not been furnished as to whether persons drawing the rates of pay proposed are to be employed. As the post. have already decided in the case of the other asts sanctioned for the investigation that the higher rates of pay should not be utilised to give increase of pay to any officer, the demand may be passed subject to the same restriction.
